

Passionate about Facilities Management?

Looking for a new challenge?

Great with people and building relationships?

We are looking to recruit a **Building Manager** to manage a new instruction coming to Ashdown Phillips situated in Ealing. This newly built centre offers eight floors of natural light and lots of lovely space. This is one of Ealing's most modern buildings.

The ideal candidate will have experience of working in a customer-facing environment with proven experience, knowledge and understanding of Facilities Management.

The role will be based at the property full time and will focus on delivering high quality facilities management operations to the Property and its occupiers. Priorities will also include ensuring compliance with all statutory regulations and internal policies and procedures, as well as developing best practice in the continued delivery of a multi-let office building.

If you are interested in this position, please send you CV to Nikki Brennan for further details by 23rd April 2021 at hr@ashdownphillips.com.
